LITTLE CLAUDE HASTINGS.
The funeral of little Claude Hastings took place at the West Norfolk Baptist Church Monday afternoon at 3 o'clock. The services were conducted by Rev. Vernon L. Anson, of the Baptist Church, assisted by Rev. J. D. Langley, of the Methodist Church. The church was filled with sorrowing and bereaved friends. The following acted as pall-bearers: Harry Johnson, Ellie Barrett, Henry Norfleet, Willie Poindexter, Hubbard Blanchard, Willie Greenwell. Though he was only seven years old, his many noble traits of character had endeared him to those with whom he came in contact. In school life he was studious, cheerful and held in tender affection by his teacher. The many handsome floral designs given by Sunday school scholars were a testimonial of their love and esteem. His obedience and child-like faith in Christ are a living sermon. The memory of little Claude Hastings will forever be cherished by all, both children and grown persons, for to know him was to love him.

As the season of the year when pneumonia, influenza, sore throat, coughs, colds, catarrh, bronchitis and lung troubles are to be guarded against, nothing "is a fine substitute," will "answer the purpose," or "is just as good" as One Minute Cough Cure. That is the one infallible remedy for all lung, throat or bronchial troubles. Insist vigorously upon having it if "something else" is offered you.

WEATHERLY-CHRISTIAN NUP-TIALS.

A quiet marriage took place Tuesday evening at 7 o'clock at the residence of the bride's mother, Mrs. William Christian, on Fourth avenue, West Norfolk. The contracting parties were Mr. George H. Weatherly, one of West Norfolk's popular and progressive young merchants, of the firm of Parsons & Weatherly, the charming and accomplished daughter of the late William Christian. The room was tastefully decorated with beautiful flowers. The nuptial knot was tied by Rev. Vernon L. Anson, pastor of the Baptist Church. After receiving the congratulations of those present they were driven to the Seaboard Air Line depot, where they took the 8:45 train, and will spend their honeymoon in Atlanta and other Southern cities.

For frost bites, burns, indolent sores, eczema, skin disease, and especially Piles, DeWitt's Witch Hazel Salve stands first and best. Look out for dishonest people who try to imitate and counterfeit it. It is the endorsement of a good article. Worthless goods are not imitated. Get DeWitt's Witch Hazel Salve. Burrow-Martin Company.

A VERY LIVE DEAD MAN.

Yesterday morning a report was made to the yard master at the Godwin street station that there was a dead man in one of the cars on the side track. A crowd soon began to gather, and it was only a few moments before suggestions were made as to what should be done with him.

Some one said: "He is not dead; I saw him move." One of the men said: "Send for an officer." And before the crowd could fully agree as to the best method of procedure, the man, who was white and dressed genteelly, got up, jumped out in the crowd and disappeared. The crowd thought he was a very live dead man, and fully appreciated the difference.

Not one child dies where ten formerly died from croup. People have learned the value of One Minute Cough Cure and use it for severe lung and throat troubles. It immediately stops coughing. It never fails. Burrow-Martin Company.

A SHOOTING MATCH.

The Portsmouth Gun Club will have a chance to test their shooting qualities to-day. The Newport News team will be up and engage in a friendly contest with the boys. This is the first of a series of shoots between the two cities, and will be hotly contested on both sides.

THE NET CLOSING.

IMPORTANT REVELATIONS COMING DAILY IN DREYFUS CASE.

(By Telegraph to Virginian-Pilot.)

Paris, May 3.—Slowly, but steadily, the net is closing around the French general staff in the Dreyfus revision inquiry. General Mercier, who was Minister of War at the time Dreyfus was condemned, on being called upon by M. de Freycinet, the present Minister of War, to produce the report regarding the secret dossier which Lieutenant-Colonel du Paty de Clam testified he had destroyed it, and he called General Gonze as a witness to the truth of this statement. Unfortunately for Mercier, General Gonze had already testified before the Court of Cassation that, although Mercier destroyed the original, he kept a copy.

Another anti-Dreyfus argument has received its death blow. General Zurlinden, Military Governor of Paris, and others, while testifying before the Court of Cassation, attached great importance to the closing sentence of the bordereau, "I am starting for the manoeuvres," as proving the guilt of Dreyfus. The innocence of Esterhazy, inasmuch as the staff probations were only notified on August 28th that they would not be required to attend the manoeuvres. It has now been proved that this notification was actually dated May 17th. Therefore Dreyfus could not have written "I am starting for the manoeuvres" in the following August.

It is rumored that it was Lieutenant-Colonel du Paty de Clam himself who communicated to Esterhazy the depositions made before the Court of Cassation.

The following were elected delegates and alternates to the National Encampment.

Sixty Wardner Rioters Arrested.

(By Telegraph to Virginian-Pilot.)
Wardner, Idaho, May 3.—Sixty rioters concerned in the disturbance of last Sunday have been arrested since the arrival this afternoon of Company M. Twenty-fourth Infantry. As soon as the serving of warrants began the rioters scrambled over the hills in frantic efforts to escape. About sixty were caught and others will be pursued. Only one tried to resist. He was promptly overpowered. The prisoners were marched to camp. Nearly all are Italians and Swedes. Forty-nine men of the Fourth Cavalry arrived here from Walla Walla to-day.

Coroner France has impaneled a jury and the inquest on the victims of the mob began this afternoon. No more rioting is feared until arrests begin on Canyon Creek.

BERKLEY.

Another extensive line of improvements is contemplated by the Norfolk and Southern Railroad Company. This time the rebuilding of their old wharves and docks now in use here. The new wharf now in course of construction will conform to the old wharf on the west of their property, and after it has been completed the old wharf will be rebuilt, making when completed about a half mile of wharfage and warehouses. On the east side of the company's property, adjoining the county ferries a large transport dock will be built. The tracks to this point have already been laid. It is expected that all of these improvements will be completed this year and cost about one hundred and fifty thousand dollars. While these improvements are going on here there are about twenty thousand dollars' worth of improvements in progress at the other end of this line and on the Pamlico division in the way of new docks and wharves. By the time all these have been finished, including the purchase of the John W. Garrett and repairs on her, the company will have expended more than two hundred and fifty thousand dollars.

The W. C. T. U. will meet with Mrs. Clara Graves, on Clifton street, this afternoon at 3 o'clock.

Mr. G. W. Jordan, of Camden, N. C., was in town yesterday visiting relatives.

Miss Carrie Edwards returned from Washington, D. C., yesterday afternoon, after spending about six weeks there with friends.

Tuesday afternoon fire broke out twice around the smokestack of the Tunis planning mills, but was extinguished before it did much damage.

Mr. Edmund Vaughan died at his residence, in South Norfolk, about 11 o'clock Tuesday evening, aged 19 years. His remains will be shipped to Northampton county, N. C., this morning via the Seaboard Air Line, for burial in the family plot.

Mr. V. B. Billisly is quite ill at his residence, on Berkley avenue. He recovered a few days ago from a spell of sickness and went to his place of business, when he suffered a relapse.

Mrs. Henry Mayo, who has been quite sick for ten days at her residence, on Main street, is much improved.

The obsequies of Mr. R. A. Hall, whose death occurred in the county Monday at 12 m., took place from the family residence yesterday at 10 a. m., and were conducted by Rev. M. W. Butler, of Main Street Christian Church, assisted by Rev. J. P. Barrett, D. D., of Memorial Christian Temple, Norfolk. The house was filled to overflowing with the many friends of the deceased. The interment was in the
